Dear Ms. Masih:

We have completed our review of the University of Missouri-Kansas City replacement Statement of Intent (SOI) dated April 27, 2007 for NRC License Number 24-00513-37. Within the scope of our review, the revised cost estimate and financial assurance instrument were found to be acceptable.

As a result of the approval of this replacement decommissioning financial assurance instrument, we are canceling and returning an approved SOI dated July 16, 1992.

In accordance with Title 10 Code of Federal Regulations 2.390 of the NRC's "Rules of Practice," a copy of this letter will be available electronically for public inspection in the NRC Public Document Room or from the NRC's Agencywide Documents Access and Management System (ADAMS), accessible from the NRC site at <http://www.nrc.gov/reading-rm/adams.html>.

If you have any questions, please contact Kevin G. Null at (630) 829-9854.
