This record represents a series of voicemail messages.

I contacted CPT Hall to discuss the requested 35.300 authorizations for COL Bresley and Dr. Oberhofer. The request was for I-131 and beta-emitters, however the referenced licenses limited these authorized users (AUs) to I-131. I informed CPT Hall that significant additional information would be required to authorize COL Bresley and Dr. Oberhofer for beta-emitter use. CPT Hall agreed that the amendment may limit the 35.300 uses for these AUs to I-131.

CPT Hall informed me that LTC Santiago-Maldonado is still working at this facility and withdrew the request to remove her from the license.

Action Required: Issue action, limiting the 35.300 authorizations for COL Bresley and Dr. Oberhofer to I-131 and retaining LTC Santiago-Maldonado as AU.
