Dear Bob:

On behalf of your friends and colleagues at the U.S. Nuclear Regulatory Commission (NRC) headquarters in Rockville, Maryland, I offer our sincere congratulations and our very best wishes on your retirement. Thank you for your exceptionally faithful service of more than 33 years to the NRC.

The NRC has been most fortunate to have you on its staff. Your work significantly enhanced the Federal and State Liaison Programs. You excelled in developing and fostering positive working relationships with all you encountered. Your efforts resulted in very effective outreach to the States, and you helped them understand NRC policies and programs, and ensured their views were considered in NRC decisions. The service you have provided over the years will be long remembered and you will be greatly missed.

I wish you the best for happiness and good health in retirement.

Sincerely,
