Shannon,

As indicated in the newspaper ad, although 12/30 is the cut-off date for submitting comments, NRC will consider comments received after 12/30 if it is practical to do so. Therefore, I do not anticipate that we would need to extend the deadline. We will do our best to address or take into account all comments received.

Thanks,

Johari

Thanks very much, Johari. Would the NRC be willing to extend the comment deadline? It's getting awfully close to the holidays for us. Thanks,
Shannon

Hi Shannon,

The email resource is now working. I sent a test email and everything seems to be fine. The email address is Ross_Project_Scoping@nrc.gov. You do need to have underscores between "Ross" and "Project" and between "Project" and "Scoping" but you do not need to capitalize the first letters of the words. Please let me know if you have any additional problems.

Thanks,

Johari

Thanks, Shannon
