NOTES/COMMENTS:

Mr. Wilson,

03029882

This transmittal is in response to our telephone conversations regarding the deletion of specific equipment from TEI's Materials License #37-28004-01. Specifically the removal of item # 6 (C) authorized for use in Item # 9 (C) AEA model 726 calibrator.

This equipment is used at TEI's facility located in Washington, PA under our Pennsylvania License PA-1164 and is not taken to any location where NRC would have jurisdiction. Please remove this item from our license at this time.

If you have any questions or need any additional information please contact me 724/228-2155.
