Dear Mr. Thompson,

I wish to be a co-petitioner for the Emergency Enforcement Petition jointly filed by Beyond Nuclear on October 20, 2011 calling for the suspension of operations and restart of the North Anna Nuclear Power Station until the requested actions are taken. (I plan to share time at the PRP conference call with John Cruickshank.)

Thank you,

Richard H. Ball, Energy Issues Chair, Virginia Chapter Sierra Club
4022 Downing St., Annandale, VA 22003
