SUBJECT REVIEW OF DOCUMENTS FAXED FROM NRC TO NAVAL REACTORS ON 12/15/2011

TO Jennie Rankin, Nuclear Regulatory Commission, (301)492-3345

On December 15, 2011, your office provided me (via fax) with a draft copy of the Certificate of Compliance and Safety Evaluation Report that is being prepared as part of your review of 688 Class Reactor Compartment Disposal Packages (Docket Number 71-9788). I have reviewed these draft documents and have no adverse comments. I also note that neither document contains classified or otherwise sensitive information.
