Bo:

I'll work with Seung and the applicant to move this forward.

Thanks

Sam & Cliff,

FYI, Seung Min has noticed that we might have missed an RAI regarding the SG tube-to-tubesheet welds for DB. This was a GALL Rev 2 issue that we should have checked to see if there was a plant-specific AMR line item.

Seung is working to draft up an RAI asap, however, let's plan on a telecom next week to give the applicant more details.
