Importance: High

Kent,

My BC Dennis Morey and I would like to meet with the ACRS staff specially the lead member John Sieber to let them know what the status of the Shied Building issue is in License Renewal and what information will they be receiving in the SER with OI to be issued on March 9, 2012. We'll like to know, given the information we have on the Shield Building cracks issue, if they're ok moving forward with an ACRS subcommittee meeting in April 10, 2012. Please let me know if we can have this meeting tomorrow or early next week.

Thanks,

Samuel Cuadrado de Jesús
