SUBJECT: *CD Containing Intervenors' Rebuttal Statement in Licensing Proceeding for Plutonium MOX Fuel Fabrication Facility, Docket No. 70-3098*

Dear Ms. Lewman:

As we previously arranged, enclosed please find a CD containing a Word version of Intervenors' Statement of Position in Rebuttal to NRC Staff's Statement of Position Regarding Contentions 9, 10 and 11 (December 19, 2011).

Please note that the Intervenors' Rebuttal Statement may contain Sensitive Unclassified Security Information ("SUNSI"). Therefore it should be protected from public disclosure.

We have been informed by Shaw Areva MOX Services, Inc., that the document does not contain Unclassified Controlled Nuclear Information ("UCNI"). Therefore, we have removed from this electronic version the "UCNI" markings that were on the hard copy you received in December.

Sincerely,

Diane Curran
