## 2011 Reactor Oversight Process External Survey

Thank you for participating in the survey. Your feedback is important to us and will be used in the ROP self-assessment program to evaluate the effectiveness of the ROP. There are 20 items in the survey and places for written comments. We seek constructive feedback to improve the program, and your comments with **specific examples** are welcomed. If you are filling out a hard copy, please use additional sheets for comments if needed.

Because your comments will not be edited to remove any identifying or contact information, the NRC cautions you against including any information in your submission that you do not want to be publicly disclosed.

The survey ends on January 13, 2012.

Instruction: For each of the statements, please indicate if it's **reasonably** true. If you don't have enough knowledge/experience, please select U/A (unable to answer).
