Dear Mr. Meyers;

The Office of the General Counsel at the U.S. Nuclear Regulatory Commission (“NRC”) has received your letter dated December 15, 2011 and submitted in compliance with the NRC’s regulations at 10 C.F.R. § 9.200, et seq. This is your second request in this case and this office has assigned the processing number “TR-11-24” to this request; please refer to that number in any future correspondence regarding this request (as opposed to your earlier request).

Your letter requests interviews with NRC personnel, including Mr. Brian Mohler, who was substantially involved on the NRC’s behalf in the contract at issue in the above-captioned proceeding. The letter also requests any relevant documents related to this issue. After review, we have determined that your letter satisfies the requirements in our regulations. Accordingly, we hereby approve your request to interview Mr. Mohler and to receive any relevant, non-privileged documents in the NRC’s custody, control or possession.
