SUBJECT: Submission of Additional Meeting Materials from NuScale Power "Resumption of Pre-Application Activities" Meeting (NRC Project: 0769)

On October 26, 2011 NuScale Power personnel met with NRC staff regarding the resumption of pre-application activities (refer to ADAMS accession number ML112870159 for the meeting notice and ML113330187 for the meeting summary). Subsequently, Mr. Gregory Cranston, NRC Project Manager (NRO/ARP), asked that two animated videos that were shown at the meeting be submitted to NRC Document Control as part of the NuScale Docket. These videos are in addition to the presentation materials that were previously submitted (see ML112980464) and are available to the public. Accordingly, those video files are enclosed herein.

The three DVD discs enclosed each contain two video files, as requested. One disc is intended for Mr. Cranston per his request.

Please feel free to contact me at 541-207-3931 if you have any questions.

Sincerely,

Edward G. Wallace
Vice President, Regulatory Affairs
