Subject: Update To SOARCA Comm PLa

Hi Lance – You told us this once but please help again. We have updated the SOARCA Communication Plan (ML102720006) as revision 5 and would like the EDO website updated to reflect the current version. I copied Richard Chang of my staff. the new SOARCA PM so he will know how to process the updates in the future.

Jimi T. Yerokun
