Status..

- 1. Jimi says yes.
- 2. A draft extension request for the Level 3 PRA tasking is currently under review. We anticipate submitting this extension request to OEDO on schedule by 10/29.
- 3. Les Cupidon has an extension request for CRGR under development.

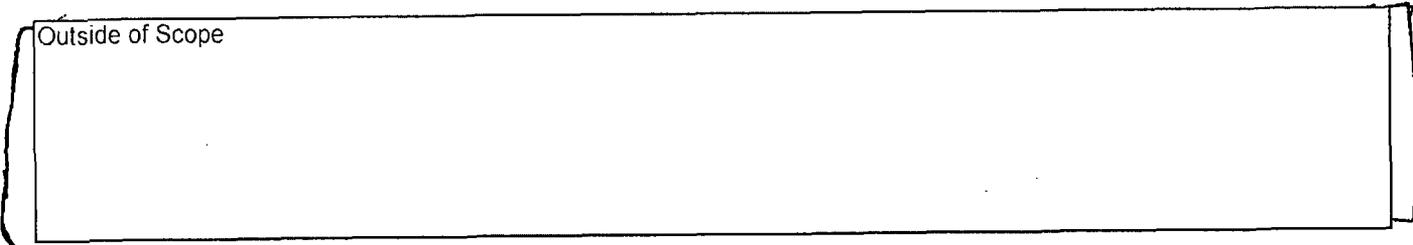

Thanks!

I have a few items I wanted to check on:

- (1) SOARCA – My understanding is that we're still on schedule to make the draft NUREG internally available in ADAMS this week and send up an EDO Daily Note with the ML number.

Outside of Scope

outside of scope

Do I have all that right?

Greg
