(NOTE: This will be used as the Documents Title in ADAMS)

I told Dro. Kolodziej that I was calling to get an update from him; during our call on January 12, he had said he would call Judy Joustra or me to update us on Monday, Janaury 23.

Dr. Kolodziej told me that he met with the insurance broker this afternoon. He stated that the broker is confident that Dr. K would be able to provide FA using a bond (surety bond) but that the RSO was on vacation last week so the effort slowed down. Dr. K said that he thinks they will have a definite plan by Monday and will call me on Monday at about this time in the afternoon to update me.

Action Required: send email to Dr. K to confirm this conversation; cc RSO and insurance broker; telecom record to inspection and licensing packages in ADAMS.
