

February 21, 2012

Mr. Pedro Salas, Manager  
AREVA NP Inc.  
3315 Old Forest Road  
P.O. Box 10935  
Lynchburg, VA 24506-0935

SUBJECT: REQUEST FOR WITHHOLDING INFORMATION FROM PUBLIC DISCLOSURE FOR AREVA NP INC. – PROPRIETARY RESPONSE TO REQUEST FOR ADDITIONAL INFORMATION 64, 65, AND 66, REGARDING ANP-10285P, “U.S. EPR FUEL ASSEMBLY MECHANICAL DESIGN TOPICAL REPORT”

Dear Mr. Salas:

By email dated January 6, 2012, you submitted an affidavit dated January 6, 2012, executed by Gayle F. Elliott, Manager, AREVA NP Inc., requesting that the information contained in the following document be withheld from public disclosure pursuant to Title 10 of the *Code of Federal Regulations* (10 CFR), Part 2, Section 2.390:

ANP-10285Q10P, “Response to Seventh Request for Additional Information, ANP-10285P, ‘U.S. EPR Fuel Assembly Mechanical Design Topical Report,’ Request for Additional Information 64, 65, and 66,” marked as “draft”

Pursuant to provisions of 10 CFR 2.390(b)(4)(ii), the affidavit stated that the submitted information should be considered exempt from mandatory public disclosure for the following reasons:

6. (c) The information includes test data or analytical techniques concerning a process, methodology, or component, the application of which results in a competitive advantage for AREVA NP.

We have reviewed your application and the material in accordance with the requirements of 10 CFR 2.390 and, on the basis of the statements in the affidavit, have determined that the submitted information sought to be withheld contains proprietary commercial information and should be withheld from public disclosure.

Therefore, the attachment to the email, marked as proprietary, will be withheld from public disclosure pursuant to 10 CFR 2.390(b)(5) and Section 103(b) of the Atomic Energy Act of 1954, as amended.

Withholding from public inspection shall not affect the right, if any, of persons properly and directly concerned to inspect the documents. If the need arises, we may send copies of this

P. Salas

information to our consultants working in this area. We will, of course, ensure that the consultants have signed the appropriate agreements for handling proprietary information.

If the basis for withholding this information from public inspection should change in the future such that the information could then be made available for public inspection, you should promptly notify the U.S. Nuclear Regulatory Commission (NRC). You also should understand that the NRC may have cause to review this determination in the future, for example, if the scope of a Freedom of Information Act request includes your information. In all review situations, if the NRC makes a determination adverse to the above, you will be notified in advance of any public disclosure.

If you have any questions regarding this matter, I may be reached at 301-415-3361.

Sincerely,

*/RA/*
