Dr. Kolodziej,

Thank you for discussing the progress you are making towards obtaining a financial assurance instrument for your license. Based on the telephone conversation today, we understand that you met with your insurance broker today, and that he is helping you to obtain a Surety Bond in support of your financial assurance. You or your broker or the RSO should contact me if you have any questions about the requirements for the type of financial assurance instrument you are working to obtain.

During our conversation, you also said that you would call me to update me on your progress next Monday, January 30. I can be reached at my direct number, 610-337-5040. If I am away from my desk, you can leave a message at that number, or press "0" and one of the secretaries will take a message if they cannot locate me in the building.

Thanks,  
Betsy Ullrich
