Subject: February 14-15, 201, Meeting on the Dewey-Burdock and Crow Butte Projects

Good morning—

This e-mail follows up on previous conversations and a 12/20 e-mail that I sent you regarding the possibility of a meeting between the U.S. Nuclear Regulatory Commission (NRC) and interested tribes to discuss approaches for obtaining the information needed for NRC and the tribes' Section 106 consultation for the proposed Dewey-Burdock and Crow Butte projects. Based on the responses that I have received from many of you, and our conversations with NRC, we are ready to schedule the meeting. We are working with NRC on the details of the formal invitation, the meeting place, and agenda, and you will be hearing from NRC regarding the meeting as well. The purpose of this e-mail is to provide you with the dates and some other information about the meeting so that you can decide whether you will be able to attend, with the understanding that additional details will follow. We are particularly interested in hearing from you regarding agenda items and meeting structure.

Meeting Dates	February 14-15
City	Rapid City, SD
Meeting Rooms	To be determined
Purpose	To continue and expand NRC's consultations with Indian tribes concerning properties of religious and cultural significance that may be affected by the Dewey-Burdock and Crow Butte projects.
Agenda	In development – please feel free to contact Haimanot Yilma or Nathan Goodman (NRC), or Martha Graham (SRI Foundation) if you have ideas about the agenda
Meeting Structure	Tentatively, we propose to spend one day focused on issues shared by both projects, and hold separate sessions on the second day for each project. Additionally, we think time to provide confidential NRC-tribal consultations, and for the tribes to hold private sessions might be needed. Please feel free to contact Haimanot, Nathan, or Martha if you have ideas about these considerations. Site visits to the proposed project areas will not be a part of these meetings.
Reimbursement	The applicants will reimburse mileage at a rate of \$0.51 per mile, and lodging and meals at \$125/day for the THPO or Cultural Resource Office representatives and a support person. If the Tribal Chair, President, or Governor chooses to attend the meeting, the applicants also will reimburse these costs.

Please let me know at your earliest convenience whether you will be able to attend, or if you have questions or comments about the meeting.

I look forward to talking with you more about this meeting, and to meeting you in February.

Regards,

Martha
