**Subject: Company Name/ Cobalt 57 Maximum Possession Limit Change
NRC License Number 24-26620-01**

Shively Geotechnical, A Division of Environmental Operations, Inc. requests that our license be amended to accommodate the following changes:

Section 1, Company name: **Environmental Operations, Inc.**

Section 6, Item C. Cobalt 57. No single source to exceed the maximum activity specified in the certificate of registration issued by the NRC or Agreement State, total possession limit of **30 millicuries.**

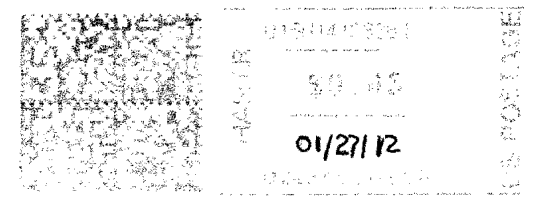

The management team and ownership of Environmental Operations, Inc remains the same.

If you have any questions concerning the above changes please call us at 618 398 1414 or on my cell phone at 314 397 3557.

Sincerely,
Environmental Operations, Inc.

A handwritten signature in black ink, appearing to read 'M. I. Conder', written over a horizontal line.
