Subject: Quick question on Proposed Expiration Date for XB1326/01

Hi Mary,
Your export license to Iraq is almost ready to be issued, I just have one quick question. In your application, you requested a 3-month extension from Dec 30, 2011 to Mar 31, 2012. Since it is nearly February already, is the timeframe that you proposed earlier still sufficient? Or would it be helpful to you to have another couple months (like until June 30, 2012) to ensure that you have sufficient time for your travel arrangements etc?

Please let me know what would work best for your shipping schedule, I apologize for the delay in granting the license. Please let me know if you have questions.

Thanks!
-Jenny
