Subject:

Correct Name of Licensee

**(NOTE: This will be used as the
Documents Title in ADAMS)**

I noted that the name on the license does not exactly match the name on the letterhead of the licensee (double 's' versus one 's' in the name). The name on the license is in accordance with the licensee's application dated July 5, 2007 (double 's'). I called the licensee to resolve this ambiguity. The licensee stated that the name on the license should be exactly as on the letterhead (with one s)
