(NOTE: This will be used as the  
Documents Title in ADAMS)

2/2/2012 (12:50) I asked Ms. Webb when was the last time the Decommissioning Plan had been reevaluated. Ms. Webb that her records showed that a reevaluation had been performed in December 2008, but had not been submitted to the NRC for review because it did not exceed the current amount committed, the licensee did not want to lower the commitment, and the license was not up for renewal. Ms. Webb committed to performing a reevaluation of the DFP for 2012 and submitting it if any of the above criteria was met. The Certification of Financial Assurance would also be updated at that time.
