Dear Freedom of Information Officer:

I am writing to request records of all communication between the Nuclear Regulatory Commission and Entergy Corporation regarding the Vermont Yankee nuclear power plant from December 1, 2012 to the present.

I am requesting this information pursuant to 5 U.S.C. § 552(a)(3)(A) of the Freedom of Information Act. I have searched the NRC Web site, and I have determined that this information is not available there.

I am requesting this specific information as part of my continuing coverage as a reporter for the news Web site VTDigger.org. We are a non-profit organization dedicated to increasing awareness and education about current events in the state of Vermont.

Because this information is for education purposes, I am requesting a fee waiver under 5 U.S.C. § 552(a)(4)(A)(ii)(II). Furthermore, I agree to pay the standard \$25 for duplication services.

Finally, upon review of the Freedom of Information Act, I have determined that the information I am requesting is not among the nine categories that are exempt from FOIA requests under 5 U.S.C. § 552(b).

Thank you for your time and efforts in responding to my request. Please contact me if you have any questions.

Sincerely,

Alan Panebaker
