Re: USNRC Materials License No. 13-32537-01

Dear Sir/Madam:

Please let this correspondence serve as an amendment request for the following changes and/or modifications to our current USNRC Materials License. I would like to remove Doctor **Vincent Michael Bournique, M.D.** as an Authorized User and Radiation Safety Officer (RSO) from this Materials License as this physician authorized user will no longer be involved in USNRC licensed activities at **Heart Partners of Indiana, LLC** due to his leaving this practice in May 2012.

As I appear on this license as an AU, I believe I meet the qualifications to serve as RSO for this license under 10 CFR 35.50. I understand the responsibilities of this appointment and will assure Heart Partners of Indiana, LLC. is in compliance with USNRC Licensed Activities.

If additional information is required, you may contact me at (765)374-0097 at your convenience.

Sincerely,

Dr. Chao-wen Lee, M.D. F.A.C.C., F.A.C.P., F.C.C.P.
