To maintain proper compliance with the NRC, we would like to request an update of our current NRC license, as there are several doctors whom we would like to exclude as well as a few to add. Listed below are these changes.

Please remove the following from our license as they are no longer members of Porter Medical Center:

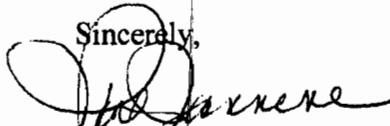

Dr. Andrea Fossati
Dr. Peter Holm
Dr. J. Lorimar Holm
Dr. Joseph Winget

Please add the following to our license using their current 10 CFR 35.200 NRC license numbers:

Dr. Steffen Hillemann #37-28520-01
Dr. Janet Kirwan #44-30682-01
Dr. Christopher Higgins #44-30682-01

If there are any questions or additional information needed from us, please don't hesitate to contact our Lead Nuclear Medicine Technologist, Gayla Olesky, CNMT at 802-388-4721 or you can email her at golesky@portermedical.org.

Sincerely,

Pat Jarmene
Vice President Clinical Services
