Subject: **Renewal of MIDUS Transportation Package CoC**

References: Certificate of Compliance 9320, Docket No. 71-9320, Revision 1.

EnergySolutions, as the holder of the referenced Certificate of Compliance (CoC) No. 9320 for the MIDUS Transportation Package that will currently expire on May 31, 2012, hereby requests that the CoC be renewed to ensure continued use of the packaging. EnergySolutions has reviewed the sections on operating procedures, acceptance tests, and maintenance programs and determined that they are complete and accurate and do not require revision. EnergySolutions hereby applies for renewal of the CoC No. 9320 and requests that it be revised to reflect our company address change as follow:

EnergySolutions Spent Fuel Division  
2105 S. Bascom Ave., Suite 230  
Campbell, CA 95008

After the revised MIDUS CoC is issued by NRC, EnergySolutions Spent Fuel Division must also obtain a revision to the Competent Authority Certification for the MIDUS Type B(U) package from the U.S. Department of Transportation. Therefore, timely renewal of the MIDUS CoC is important. Should you or any member of your staff have questions, please contact me at (408) 558-3509.

Sincerely,

Steven E. Sisley  
Licensing/Regulatory Compliance Manager
