RE: Transmittal of Changes to the Decommissioning Funding Program Description and Depleted Uranium Management Plan and Financial Assurance for Calendar Year 2012, Paducah Gaseous Diffusion Plant (TAC NO. L32779)

Steve,

By letter dated December 22, 2011 (ADAMS Accession No. ML12006A116), United States Enrichment Corporation (USEC) transmitted its changes to the Paducah Gaseous Diffusion Plant (PGDP) Decommissioning Funding Program (DFP) Description and Depleted Uranium Management Plan (DU Plan) and Financial Assurance for Calendar Year 2012.

As part of the screening process, the NRC staff has completed the review of the information that USEC provided on December 22, 2011, and found the information acceptable for detailed review. During this review, we will notify you if any additional information, or clarification of existing information, is needed. The staff efforts associated with this review will be charged to Technical Assignment Control (TAC) number L32779. Please reference these TAC numbers in all correspondence related to this action.

Based on our preliminary review and projection of current review schedules, we anticipate completing our review of your request by July 2012. This date could change depending on the findings of our technical/administrative review, urgent assignments, or other factors. We will promptly communicate any significant changes to this schedule.

If you have any questions, please contact me at (301) 492-3217 or via e-mail to tilda.liu@nrc.gov.
