Dominion would like to discuss their draft response to RAI 3.7.1-2. Please let me know if you can attend.

Subject:

- 3.7.1-2, Specify SSE and OBE (RAI Letter 37): The RAI requests that we specify the site-specific SSE and corresponding OBE that would be required for operating the plant and setting up seismic instrumentation. We'd like to review our draft response with the SME prior to submitting it to NRC.
