I checked with Jim and the task does not appear in his EPM. Actually he does not even have P2 since he had no open items. Projects has not asked for his input.

Thanks,

Manas,

I reviewed the attached North Anna SER for sections 3.7.1, 3.7.2, 3.7.3, and 3.8. I reviewed project corrections and incorporated some other minor ones. Hernando will finish the review for Sections 3.3.1, 3.3.2, 3.4.2, and 3.5.3 then will forward it to the PM since they want all sections in one file.

Thanks,
Mahmoud
