Don,

The two chapter 3 questions were listed as confirmatory, but should have been unresolved/closed. Their status has been changed.

Thanks,

Stephen Monarque

This RAI is somewhat of a surprise. The 2/14/12 eRAI table has the status of RAI-226 (5947) questions 03.07.02-23 and 24 as Confirmatory Action NRC.

Does Confirmatory Action NRC mean there are still open issues? If so, we may need to start tracking those on a weekly basis as well.
