SUBJECT: Amendment request to allow a one time transport of Surface Contaminated Objects (SCO)

Gentlemen:

American Radiolabeled Chemicals, Inc (ARC) requests that our By-product Material License be amended to reflect a one time transport of SCO from a laboratory in Kansas City, MO to our facility in St. Louis, MO.

The items to be transported include laboratory glassware, laboratory instruments, and associated laboratory equipment.

The items will be packaged for shipment as SCO-1 by the seller..

All provisions of 10CFR20, 110CFR71, and the appropriate DOT regulations will be adhered to.

ARC will transport the items in an exclusive use shipment. ARC personnel making the pick up (loading and unloading) will be trained radiation workers.

If you have any questions, please contact Regis Greenwood, CHP, our Radiation Safety Officer directly.

Sincerely

AMERICAN RADIOLABELLED CHEMICALS, INC
