**Subject:** RE: Review of Section 6.4 of turkey Point

I have attached the current access list for the reading room. Please let me know whom we need to add (I think we have 1 or 2 spaces left) and remove. Once the appropriate analysis is in the reading room I will let you know.

thanks

Our reviewer Danny would like to audit the 6.4 toxic gas analysis supporting COL application. Where is the information available.

If he needs access to reading room please let me know. Please send me the update list so we can decide who needs to be dropped off the list.

Thanks
