Mr. Renkie,

In conjunction with the renewal of your license, we have also received a request from your organization to replace the RSO. We plan to incorporate that request with your renewal application. At this time we have to track two requests separately. If you agree, we could remove the RSO replacement request from our docket and add it to your renewal application. You do not have to do anything with regard to this action. Please let me know if you are ok with that approach.

Thanks,

Frank Tran

Dear Mr. Tran,

Sorry for the delay in submitting our application for license renewal. I have been waiting for the signature of Mr. Doug Wood, Executive Director of Electric Operations, who just returned from a two week vacation.

The completed and signed application will be faxed to you shortly.

Best regards,

Edwin Renkie
