Don:

PEF will coordinate a space for us to meet and transportation for the site visit once we know how many people we need to accommodate.

Please let me know which of your suggested dates: April 5, 10, 11 and 12 works best for all. I've already heard from Susan Kemp.

Thanks,

All: Paul Snead and I discussed yesterday that PEF would like to schedule the meeting and site visit to review a draft groundwater monitoring plan from PEF. With this email I want to get the ball rolling as to coordinate with all for date for the meeting/site visit.

Paul: You had said that the plan would be ready for a meeting as soon as March 28. Now that I am back in the office today I see that I am not available the week of March 26.

All: I am going to list several dates, as suggestions for the meeting/site visit. I suggest that it would be an all day affair beginning at 0830 and ending late afternoon of the same day. Suggested dates: April 5, 10, 11 and 12. Please let Paul and me know as soon as possible as to your available dates.

Paul: Will PEF coord for space to meet? Plantation Inn?

Thanks, Don
