Follow up to Notice of Non-Payment of Fees

SUMMARY

The licensee was contacted by Materials Inspectors (Lin and Wellinghoff) regarding the status of their annual fee payment and the implications for non-payment. The inspectors confirmed that the licensee did receive a "Notice of Payment Due," have satisfied one of the fee categories, and have intentions to pay the remaining outstanding fee due. In addition, they expressed their intention to contact their corporate office this week in order to rectify the non-payment. The licensee agreed to follow up with the NRC Headquarters contact, Ms. Titherington-Buda, and arrange a payment for the annual fees owed.
