SUBJECT: NATIONAL AERONAUTICS AND SPACE ADMINISTRATION, VOIDANCE OF
APPLICATION FOR LICENSE AMENDMENT, CONTROL NO. 576786

Dear Mr. Merritt:

This concerns the subject application for an Amendment to your material license. We have determined from our review of your request that the radioactive materials you have requested would not meet the definition of 'byproduct material' currently in 10 CFR Part 20, and therefore no amendment is needed. We have, therefore, voided your application.

Sincerely,

Original signed by Thomas K. Thompson
