In the Matter of
ENTERGY NUCLEAR OPERATIONS, INC.
(Indian Point Nuclear Generating Unit Nos. 2 and 3)
Docket Nos. 50-247-LR/286-LR

Dear Administrative Judges:

Counsel for the Staff of the NRC is filing a corrected version of the NRC Staff's Testimony of Andrew L. Stuyvenberg Concerning Contention NYS-9, NYS-33 and NYS-37 (Alternatives, Consolidated). This document, which was identified as NRC000133 on the NRC's exhibit list, was originally filed without an exhibit number on the first page. A copy of the testimony, with the exhibit number on the first page is being filed herewith.

In addition, counsel for the NRC staff is filing a corrected version of the NRC Staff's Initial Statement of Position on Contention NYS-9, NYS-33 and NYS-37 (Alternatives). The corrections consist of the following: footnote 12 on page 7 was inadvertently omitted and has been restored and page number citations to the NRC Staff's Testimony of Andrew L. Stuyvenberg Concerning Contention NYS-9, NYS-33 and NYS-37 (Alternatives, Consolidated) have been inserted on pages 16 and 17. A copy of NRC Staff's Initial Statement of Position on Contention NYS-9, NYS-33 and NYS-37 (Alternatives) (Corrected), which was identified in the NRC Staff Exhibit List as NRC000132, was also originally filed without an exhibit number on the first page and is being filed today as NRRC00132.

Sincerely,

A handwritten signature in black ink, appearing to read "Beth N. Mizuno".

Beth N. Mizuno
Counsel for NRC Staff
