Commitment Change Evaluation Report for 2011

Attached is the Oconee Nuclear Station Commitment Change Evaluation Report for 2011. It includes a summary of the commitment change evaluation completed during the 2011 calendar year for Oconee Nuclear Station. The evaluation and subsequent commitment change was made based on the guidance defined in NEI 99-04, Guidelines for Managing NRC Commitment Changes, and has no adverse effect on compliance with NRC rules and regulations.

If additional information is needed, contact Kent Alter, Oconee Regulatory Compliance at (864) 873-3255.

Sincerely,

T. P. Gillespie, Jr.
Vice President
Oconee Nuclear Station
