Subject: Smiths Detection Inc. Termination (MC577072)

Mr. Madairy:

Thank you for your phone call regarding Smiths Detection, Inc. I understand that per your recent conversation with Mr. Kathy Modes, Smiths Detection, Inc. has decided to withdraw the termination request and request a renewal to your current license, including a change in address from Morristown, NJ to Ijamsville, MD.

As part of our conversation, I informed you that you must request a renewal as soon as possible because the expiration for your NRC license is April 30, 2012. You stated that you will be able to submit a renewal very soon.

In addition, please submit, in writing, to the NRC Region I, a request to withdraw your request for termination and refer to Mail Control Number 577072. You may submit a signed pdf electronically or through regular mail. It's your call. My contact information is below.
