SUBJECT: INVITATION TO PARTICIPATE IN THE 3rd NUCLEAR REGULATORY
COMMISSION WORKSHOP ON VENDOR OVERSIGHT FOR NEW REACTOR
CONSTRUCTION

Dear Mr. Irish:

Consistent with our previous communication, we would like to formally thank you for volunteering to be a speaker for the session on Commercial Grade Dedication of Electrical Components during the 3rd Nuclear Regulatory Commission (NRC) Workshop on Vendor Oversight for New Reactor Construction, sponsored by the Office of New Reactors.

The Workshop will be held Thursday, June 28, 2012, at the Renaissance Baltimore Harborplace Hotel, 202 East Pratt Street, Baltimore, Maryland 21202, Tel: (410) 547-1200. Further information on the workshop, including registration information, can be found on the 3rd NRC Workshop on Vendor Oversight for New Reactor Construction website at:
<http://www.nrc.gov/reactors/new-reactors/oversight/quality-assurance/vendor-oversight.html>.

We would appreciate if you could develop a 45-minute presentation on Commercial Grade Dedication of Electrical Components for the Commercial Grade Dedication Track. In addition, it would be very helpful if you could provide a brief biography of your background and work experience for use during speaker introductions.

Please contact Marlayna Vaaler at (301) 415-3178 or marlayna.vaaler@nrc.gov regarding further questions on this subject. We request that your presentation materials be submitted to the NRC no later than May 15, 2012, so that there is ample time to review and post them on the NRC website prior to the workshop.

Sincerely,

/RA/

Edward H. Roach, Chief
Mechanical Vendor Branch
Division of Construction Inspection
and Operational Programs
Office of New Reactors
