Subject: License Amendment Request, Closure of Ponds B, C, D, and E. -- Response to RAI #18
Date: Thursday, April 05, 2012 11:37:00 AM

Bob,

To summarize our weekly status teleconference this morning, there was a discussion of Honeywell's response to Request for Information (RAI) #18 for Honeywell's *License Amendment Request, Closure of Ponds B, C, D, and E*. Following the discussion, Honeywell agreed to develop supplementary information for their RAI #18 response and provide the information by April 20, 2012.
