April 6, 2012

Mr. Peter J. Miner  
Director  
Regulatory and Quality Assurance  
United States Enrichment Corporation  
6903 Rockledge Drive  
Bethesda, MD 20817

**SUBJECT: REVISED MEETING ANNOUNCEMENT - CATEGORY 1 MEETING, AMERICAN  
CENTRIFUGE LEAD CASCADE FACILITY, DOCKET NUMBER 70-7003**

Dear Mr. Miner:

This letter is being reissued to correct an error in the Licensee Performance Review (LPR) period end date documented below. This confirms that the management meeting we requested has been scheduled for April 19, 2012, beginning at 6:00 p.m. The purpose of the meeting is to discuss the non-safeguards results of our (LPR) for your facility covering the period from beginning July 11, 2010, and ending December 31, 2011. A meeting notice and agenda, which provide additional details, are enclosed. The meeting will be held at the Ohio State University Endeavor Center, 1864 Shyville Road, in Piketon, Ohio.

This will be a Category 1 meeting in which the public is invited to observe and will have the opportunity to communicate with the NRC staff after the business portion, but before the meeting is adjourned, as per the NRC policy statement "Enhancing Public Participation in NRC Meetings," published in the Federal Register: May 28, 2002 (Volume 67, Number 102, Pages 36920-36924).

Since the meeting will be open to public observation, we request that any documents that you prepare for the meeting do not, to the extent possible, include any personal privacy, proprietary, or safeguards information so that the information may be made available to the public without redaction.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter and its enclosures will be available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records (PARS) component of NRC's Agencywide Document Access and Management System (ADAMS). ADAMS is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html> (the Public Electronic Reading Room).

P. Miner
