Bruce, For your action. Make sure this gets into ADAMS.

Prosanta – FYI.

FEMA informed us this morning this was going in the mail today.

Subject: Response PSEG Updated Plans Letter

Afternoon,
attached is the response to correspondence regarding -
Early Site Permit (ESP) Application for the PSEG Site –
New Jersey and Delaware. The signed original will be
mailed directly to the NRC.

Should you have difficulties opening the attached
document do feel free to contact me directly, thanks.
