Not sure you all got the NextEra's bridge number if you are participating in the status call today. For Region I we can gather in the DRS conference room.

Also attached is the NRC caucus line (SEE SECOND FILE). Depending on the amount of time NextEra spends (<30 min) we should take five and go to the caucus bridge. If they take an hour we can judge how much of a break we need.

The caucus is important since I need to brief my regional administrator on the results of the call. He was told by their executives on Monday they are implementing their plan whatever that is.
