Subject: Resubmitting the Annual Certification of the Parent Company Guarantee

Date: Thursday, April 12, 2012 4:43:00 PM

Michelle,

As discussed, the information that Westinghouse submitted for the annual certification of the Parent Company Guarantee is based on information as of March 30, 2011. Westinghouse submitted the annual certification in February 2012. But by Part 30, Appendix A, the information has to be submitted no later than 90 days after the close of the fiscal year, which is March 30, 2012. The information that is needed is as of March 30, 2012.

Therefore, Westinghouse must resubmit the annual certification. In doing so, please be sure that the following issues are addressed:

- (1) Provide a letter from the Chief Financial Officer (CFO) of the parent company that is both signed and dated.
- (2) Provide a notarized letter of acknowledgement for the Standby Trust Agreement (STA).

Regards.

Chris Ryder
