RE: Seabrook Nuclear Power Plant

Dear Chairman Jaczko:

As Mayor of the City of Haverhill, a short distance from the Seabrook Nuclear Power Plant, I'm writing to express my concern about information that has come to my attention concerning the Seabrook Nuclear Power Plant.

I am concerned about the concrete degradation of certain of the tunnels in the plant. I have received a copy of a report dated May 23, 2011 concerning this. I commend your inspection team for identifying this problem.

I understand there is an effort underway to relicense the Seabrook Nuclear Power Plant. I urge you to make certain that the Seabrook operators have a plan to fix the degraded concrete and repair this problem prior to relicensing.

Thank you for your attention to this matter.

Very truly yours,

James J Fiorentini, Mayor of Haverhill
