**Subject:** Follow-up on Notice of Violation

Hello Mr. Warren,

In regards to the Notice of Violation. After careful review we have **decided not to contest** enforcement action. We believe we have already taken corrective actions to correct violations found in our recent inspection. If any further response is needed by the NRC please contact me and I will respond timely. Please forward a copy of this email to Tamara Bloomer as we recently had a phone conversation discussing this response.

Mark Watts
