Paul,

The staff has no changes to the latest request. However, I would like to ask that PEF remain flexible once we get there.

Thanks,

Doug.

Doug:

Any change in the staff's requested itinerary for the tour since I sent you the ASLB itinerary last week? If not, we will plan to include items 1 through 4 and a general orientation of the site.

Please advise.

Thanks,
Paul

Paul,

See the attached for the sites that the NRC staff would like to visit on April 10. The staff is asking for a tour for sites 1 through 4, but will manage on their own for the remaining areas. I also have one additional person attending; Mohammad Haque.

Thanks,

Doug
