Telephone No. 570-925-5681

Subject: Request letter documenting corrective actions

(NOTE: This will be used as the Documents Title in ADAMS)

Licensee will provide documentation of their corrective actions taken and planned as summarized below:

1. On March 8, 2012, GIS ceased all service on Category II irradiators until the license is amended.
2. Informed all GIS personnel about this matter on March 8, 2012
3. On March 9, 2012, trained personnel on the importance of reviewing device documentation to verify type of device to ensure GIS is authorized to perform that service.
4. Plan to submit an amendment request to service JL Shepherd Model 81 Category II irradiators by May 30, 2012, if not sooner.
5. Developed interim guidance on how to respond to emergency events that could be encountered and trained personnel on these interim emergency procedures on April 6, 2012.
6. Plan to submit the revised written emergency procedures as required by the CAL by mid-May 2012.
7. Plan to train personnel on new operating and emergency procedures once NRC approves procedures.

Action Required: Await for response from licensee
